

## Discipleship

### Leadership Team member

**Nick & Debs Procter**

#### **Responsible for:**

Supporting Discipleship and House Groups; Lent and other ad hoc courses; developing our support for faith in the workplace

#### **Highlights from 2017:**

73 People are currently members of Discipleship Groups, spread across six groups. This is a marked increase on two years ago when the Lent Course greatly added to the number of people attending Discipleship Groups. Exact numbers were not recorded two years ago as there was no named leader of Discipleship Groups, a situation that has now been rectified with the appointment of Nick and Debs Procter to the position of Discipleship Group Pastors, with the remit of supporting, guiding and encouraging Discipleship Group Leaders, whilst also having more oversight of what goes on in DGs to ensure a balance of each group being part of the bigger picture whilst meeting the needs of its own members. It is hoped that appointing Nick and Debs as Pastors will encourage a quantitative increase in the number of people members of Discipleship Groups. Not counted in the above number are Prayers to Start the Week and a Bible Study Group that meets in Hurst on weekday afternoons.

The Discipleship Groups poster has been updated to reflect who the leaders are and enable those not in DGs to put names to faces and the poster will be prominently displayed in every church.
