

URC Worship

Leadership Team Members

Revd Gordon Connell

Linda Jackson

Responsible for:

Continuity and development of our URC worship

Highlights from 2015:

- We enjoyed another successful year for social events including the Post-Christmas lunch, Shrove Tuesday Pancakes, Church Anniversary lunch and Harvest lunch. These occasions continue to provide an opportunity for fellowship across the LEP and in our local community.
- Building on its successful introduction in 2014, Café Church has continued as an LEP act of worship, bringing all ages together to discuss their faith and share their beliefs over a cup of coffee. Feedback continues to be positive.
- We continue to benefit from the thought provoking challenges of our visiting preachers, and from the preaching of our own minister, Revd Gordon Connell.
- Despite an aging congregation and the inevitable loss of one or two members, we have been delighted to welcome some new faces during the year. The church maintains its great sense of fellowship and hope for the future within the community and God's Kingdom.

Plans for 2016 and beyond:

- Continue to ensure that everyone feels supported in living out their faith in their daily lives.
- Our preaching and teaching continues to be focused on discipleship.
