

Vacancy update No 10 – 27th April 2017

Vacancy update No 10: Having had a disappointing response from our second round of advertising for a new vicar, your Parish representatives and churchwardens met with Bishop Andrew on 25 April. At this meeting we decided to intensify our search with some more networking activity and better use of social media. We are also going to advertise and hold an Open Day on Saturday 17 June. This will be an opportunity for people who are thinking they might be interested in joining us to meet us without having to make a formal application. This is not something that has been done before - we are breaking new ground here and it's a bit of an experiment but it does give a signal that we are a creative and energetic Benefice that is willing to try new things!

Please continue to pray that our new vicar will hear God's call to our benefice and for the Open Day arrangements.
