Schedule of fire-fighting equipment

There are two types in the Church Centre:

- | | |
|-------------------|--|
| 1. Water | Not to be used on Electrical Fires |
| 2. Carbon Dioxide | Specifically for use on Electrical Fires but can be used on other fires. |

Please note – In the event of an electrical fire, especially one involving computer equipment or photocopiers, only Carbon Dioxide extinguishers should be use. The use of water on electrical fires could kill you. Carbon Dioxide extinguishers are located in the Kitchen and in the Office. Water extinguishers are located in the Main Hall and at the Top of the Stairs. You are recommended to familiarise yourself with the locations and operating instructions printed on the extinguishers.
